Dear Mrs. Kost:

The Authority staff has been working with the City's Inspections Division to address the blighted property located at 800 Mansfield Avenue, parcel 030-05-006. The property was damaged by an electrical fire and it was condemned and determined unsafe for human habitation by the inspections department on March 6, 2005. The inspections department referred the property to the Authority in October 2005. Our staff has also inspected the property noting code violations and deficiencies resulting in its blighted condition. The owner was notified by the Authority by certified mail of the deficiencies under section 36-19.5 of the Code of Virginia and given notice to submit either a written plan of correction within 30 days or to correct the deficiencies within 60 days. The notice sent by certified mail was received by the owner on January 3, 2006. Authority staff has not received any response from the owner and no repairs have been observed to date.

The above Code section provides that an authority may acquire blighted property after a public hearing and approval of such acquisition by the governing body of the city within which the property is located. This is to request that City Council hold a public hearing to consider the request of the Lynchburg Redevelopment and Housing Authority for authorization to acquire these properties pursuant to the above referenced code. Enclosed are copies of the resolution adopted by the Commissioners of the Authority, proposed resolution for City Council's consideration, notice sent to the owner and pictures of the property.

Please let me know if you need further information.

Very truly yours,

Edward H. McCann

WHEREAS, the Commissioners of the Lynchburg Redevelopment and Housing Authority (the Authority) have undertaken the exercise of additional powers granted to the Authority pursuant to section 36-19.5 of the Code of Virginia, as amended; and

WHEREAS, one of the major objectives to be achieved in exercising powers granted to the Authority under Code section 36-19.5 is to prevent single-family or multi-family dwelling units within the Authority's area of operation from contributing to the blighting or deterioration of the area immediately surrounding such dwelling unit as a result of the continued deterioration of such dwelling unit and further, to prevent the deterioration of such dwelling unit to such an extent as to constitute a serious and growing menace to the public health, safety and welfare; and

WHEREAS, the Commissioners of the Authority have made a finding that the dwelling unit located at 800 Mansfield Avenue, Lynchburg, Virginia (the property), (i) has deteriorated to such extent as to constitute a serious and growing menace to the public health, safety and welfare; (ii) that the property is likely to continue to deteriorate unless corrected; and (iii) that the continued deterioration of the property may contribute to the blighting or deterioration of the area immediately surrounding the dwelling unit; and

WHEREAS, the Commissioners of the Authority have made a further finding that, unless the property is brought into full compliance with the applicable building codes of the City of Lynchburg, Virginia, the acquisition of the property pursuant to Code section 36-19.5 (B) will further the objectives of, and is necessary for, the purposes of the Authority; and

WHEREAS, as a prerequisite to the acquisition of the property by the City of Lynchburg, on behalf of the Authority, in accordance with Code section 36-19.5 (B), the required notice has been given to the landowner to correct the deterioration of the dwelling unit; and

WHEREAS, the owner has failed to correct the deteriorated condition of the dwelling unit.

THEREFORE, BE IT RESOLVED, by the Commissioners of the Authority that the Executive Director of the Authority, in consultation with the Authority's legal counsel, is hereby authorized and directed to request that the City Council of the City of Lynchburg hold a public hearing to consider the Authority's request to acquire the property at 800 Mansfield Avenue, Lynchburg, Virginia, in accordance with the provisions of Code section 36-19.5, for the purpose of development and redevelopment, including, but not limited to, renovation, rehabilitation and disposition of the property.

Re: Parcel Number: 030-05-006
800 Mansfield Avenue
Lynchburg, Virginia

Dear Mr. Robey:

In a cooperative effort with the City of Lynchburg, the Board of Commissioners of the Lynchburg Redevelopment and Housing Authority has directed our staff to identify residential properties that are deteriorated to such an extent as to constitute a serious and growing menace to the public health, safety and welfare, that are likely to deteriorate unless corrected, and that may contribute to the blighting or deterioration of the surrounding area. We have been made aware of the above property which city records show to be owned by you. We observed the dwelling on November 4, 2005, and found the following conditions:

- Condemned - unfit for human occupancy on March 6, 2005
- Section of roof damaged due to fire including rafters, sheathing, fascia
- Section of siding damaged by fire on left side of structure
- Windows boarded
- Attic window pane missing
- Sections of siding needs painting due to smoke damage
- Debris in left side yard

We are requesting that you:

1. Present a written plan within thirty (30) calendar days of receipt of this notice for consideration and approval by the Commissioners which would address the correction of these

deficiencies and include a timetable and financing arrangements and identify who would complete the work;

or

2. Correct these deficiencies and any other non-compliance with the local building code within sixty (60) days of receipt of this notice.

Should the above plan not be received within thirty (30) days and subsequently approved by the Commissioners and then implemented by you, or, in the alternative, if no plan is presented and these deficiencies are not corrected within the 60 day time period, the Authority Commissioners, pursuant to 36-19.5 Code of Virginia, may request Lynchburg City Council to conduct a public hearing to determine the appropriateness of authorizing the Authority to acquire the property for the purpose of development or redevelopment, including but not limited to, renovation, rehabilitation, and disposition of the property.

Please contact me if you wish to discuss this.

Very truly yours,
